Save and print out this handy comparison table to see exactly how Soho UK offers some of the best value hosting available today. When you are ready, order here: http://www.soho-uk.com/linux_hosting.php

Note: This table refers to plans available on our UK site at www.soho-uk.com.

- We do not oversell our servers as some providers do.
- All our servers use Cpanel, the worldwide leader in Hosting control software. This enables easy migration to and from all other hosting companies.
- All our plans come with a 30-day money back guarantee.
- We only use mirrored drives with daily restorable backups
- All our servers have 24/7 monitoring by humans
- We provide 24 hour on-line support as well as support during office hours by telephone and sms text.

Scripts Library provided with each account.

Please note that with all plans you can still upload your own scripts and programs.

Occasionally we will add new or improved scripts, and may also remove some of the available scripts if we find alternatives.
